MEMORANDUM FOR: Special Assistant to the Director
for Planning and Development

THROUGH : Director of D & P, DPS

SUBJECT : Test Clips from Mission Photography

25X1A

1. Dr. [REDACTED] indicated on 22 October 1958, he wished to set the record straight regarding test clips. He stated he never recommended or implied he desired to take clips from the beginning, middle and end of operational missions. He suggested this be done only on test missions. For actual missions, clips are taken only from the beginning and end to assure degree of camera operation prior to shipment to EK.
